Find a great selection of games and activities for the ultimate birthday party or for baby shower party ideas!

Miracle on Ice – For most of my life, I have been fascinated by hockey, and began to play hockey at age five. Perhaps I've been a fan since that time, because I grew up in Detroit, Michigan, and watching the Red Wings play was the highlight of my. Why would you need to make your own party invitations when you can buy them for just the right amount of money? I tried making this one myself and came up with a pretty good idea, and I definitely think the result is unique, and much better looking than the store-bought ones. This party invitations are made of a simple card and folded over. They are attached to a pink ribbon and tied around the birthday girl's wrist. Party Planning is all about meeting your family's needs for the party and the party in one place. 13 ideas for a birthday party for 3- to 5-year-olds. Your children's first birthday is a special time, and you'll want to be sure to have a fabulous party to celebrate. Planning a party for the youngest kids, and especially for the first birthday, is quite a challenge. These ideas will help make the planning process easier. Children's birthday parties are often among the most exciting and enjoyable. The fun is in the party planning and preparation. There is nothing worse than the feeling of being rushed at the last minute to throw a birthday party. Save the party planning for after the big day. When you have only a couple of days left until the party, your kids won't mind if you make some last minute birthday party decoration decisions, as long as you stick to the following good party planning rules. Baby Doll Traumhafter Geburtstag The theme is fairy tales and the birthday girl has beautiful curly red hair just like Cinderella. If your birthday girl is a little princess, use a fairy tale theme. Many fairy tale parties are very princess-oriented, and the invitations make use
