Massie Brian Alan Massie (May 31, 1951 – February 26, 2017) was an American author and political theorist. He taught at the University of Southern California and Dartmouth College. Massie was one of the theorists of what the journalist Michael Tomasky called the "left's leading intellectual brand". Books The main thrust of his work was a defense of the British foreign policy line against the neoconservatives. His primary target was Richard Perle, who had served as Defense Policy Board member under the Reagan administration. Among the books written by Massie are: Against All Enemies: Inside America's War on Terror (Free Press, 2004) The Birth of the Palestinian Refugee Problem Revisited: 1946-1948 (Cambridge University Press, 2007) Diplomacy and Statecraft: Realism, Nationalism and Internationalism (New York: Harper Perennial, 2009) The Neoconservative Threat to World Order: The United States, the Liberal International, and the War Against Saddam (The New Press, 2012) Massie also co-authored: The Strong Patriarchs: Hawks, Doves, and the Struggle for the World (Yale University Press, 1987) The Real World of International Relations (Little Brown and Company, 1990) The Bush Doctrine: How George W. Bush is Revolutionizing American Foreign Policy (Palgrave Macmillan, 2006) Massie also edited: The Rise of the New American Empire: The U.S.-U.K. Alliance (Z
