This pack will be released on 2019.3.4. Wednesday, November 22, 2016 Disclaimer: In this short video I want to describe the basics of the different skinning methods. You may use one or you may use all four, I used all four, so you can pick from either option. You probably have already guessed which is my own favourite one, but with the right settings you can make all the different methods look the same. So, which is the method I use? I have no idea, because I use all four! And why not? I have the following benefits: -Control. -Lighter skinning. -Better and more "native" looking skin, because the model and texture have not been resized. So, I find it hard to imagine which way is better, so I leave it up to you. I use the selected method in the video. And I also talk about how to make it look nice, so you can match it to your own tastes. Hope this is informative and helpful. Regards,RVPrepitched www.pitched.com PS. There are lots of

tutorials out there, you should be able to find one for your skinning needs. PPS. The reason why the Facial Skinning is a little bit dark is because I am not under resourced. Monday, June 26, 2016 WARNING: This video is a little long and may be a little geeky for some. If you do want to skip to the practical and useful stuff part of the video, you can skip to around 12:07:00. So, what is this? In this video we make three versions of a gun, with a different effect. First we make a red gun, one that will kill you. Then we make a blue gun, that will heal you. Then we make a black gun, that

ional? 15 years ago? I don't know what you considered a 'strong' team, maybe 2006 or 2009? I remember OKC was more than a team back then. After 2007 the team wasn't as good as in 2007. Heck you could win it big in 2007 by forcing the ball inside (Tyson Chandler), not that we did so (I bet if we did we would have still won the title? AP would have still made a triple double had that team force the ball inside too).??At the time they were #5 in the league in 2007, 2011 they were 6th. Even 5th is bad. After 2011 the team was in the high 20s in the league (21.5 wins) I bet if we had force the ball inside it would still have won the title. It was a top 5 team all those years! That is good enough back then. Speaking of back then we were #3 in the following years. In 2013 we were 2nd in the league. The most back to back loses the team has had in 4 years is 3. That is good? In fact most teams lose at least 1 game, or more in 4 years!!!. We made the finals 3 times in 5 years I would not call that good? Most teams win the championship in 4 years what you would consider good. Let me break this down for you, the record is (stats from espn.com): 2005: 6th 2014: 1st 2005: 7th 2006: 1st 2006: 5th 2007: 1st 2007: 3rd 2012: 5th 2013: 5th 2013: 2nd 2009: 3rd 2010: 1st 2009: 9th 2011: 1st 2011: 2nd 2009: 3rd 2008: 3rd 2002: 3rd 2005: 3rd 2009: 2nd 2008: 4th 2007: 3rd 2009: 2nd 2007: 15th 2008: 3rd 2010: 2nd 2011: 2nd 2011: 5th 2011: 3rd 2008: 2nd 2007: 4th 2010: 1st 2012: 6th 2012: 4th 2010: 3rd 2007: 5th 2011: 2nd 2010: 6th 2012: 4th 2010: 4th 2014: 1st 2013: 7th 2013: 5th 2011: 3rd 2006: 3rd 2013: 5th
