Searching for favorite TV series on Google which have been played you can download it on your favorite devices? For example, you can download the Stranger Things season 1 on your tablet.. A man gets stranded in a small town in West Virginia and discovers a group of children with supernatural abilities that he soon learns are the product of a secret government experiment. The possible connections between the children, their parents, and the government facility are intriguing. Precinct #41, where a child goes missing, has a strong hold on local authorities. A determined search starts and while it is concentrated on the streets of Hawkins, a covert team of cops and agents are targeted by an enemy who will take the child even if it means taking down their own. A family for years has been living in the small town of
