It's my favorite month, so I hope this can be a new tradition for all of you. I'm starting with 5 things I'm thankful for because it's all that I can remember right now. Don't worry, I'll add 5 more tomorrow. 5 Things I'm Thankful For 1. Time to Breath This week has been a little overwhelming for us. But, I'm so thankful that it will soon end, and we can begin to catch up with the rest of the world. 2. The Internet I could write a novel about this topic alone, but I won't. Today I am thankful for the internet that has allowed me to meet new friends across the world, put new things on my mind and see amazing art and things I never knew existed. I'm thankful to be able to communicate with the grandmas of the world, and for men like the one who skyped me so many years ago. 3. Good Books This week we read LOTS and LOTS of good books. Even the non-fiction books were enjoyable. (Strega Nona) 4. Cravings Cravings. Cravings for cake, ice cream and other things that should have a warning like "eat at your own risk!" They are not easy to fight, so I am just grateful that they haven't even come close to coming true. 5. All This Free Time When we aren't reading, we can be in our pj's eating cookies and giggling. It really is a blessing, and I pray that there is always time for this in our future. And as you finish today, I hope you are thankful for the time to read a book and actually hold it in your hands.
