to modify them. Google Earth First, we will explain the map Google Earth can download itself and how you can change its style or create your own map. Change the Map You can change how Google Earth looks by downloading a different version. The version 4.2.5.223 is presented below. For the first time, Google Earth has become a more than a map, as it can manage your desktop, folders, icons, and even control your mouse. New Features In Google Earth 4.2.5.223 Scanner tool: Points of interest data detected by the Google Earth NASA rover. Moreover, a new feature is available on the toolbar: "Map Maker". Find my place: You can now find your home and your places of interest. 3D Cities:

---

You now have an option to look at a set of cities from a plane. Orbit: You can change the display mode of your planet and look at it from all sides.

3D terrain: What's new in Google Earth 4.2.5.223? It is now possible to turn on and off the 3D terrain, then you can look at the map at the side or in front. It is also possible to start or stop the map rotation. 1.5M:

Google Earth presents 1,5 million points of interest, such as world records or famous monuments. 3D vehicle: Google Earth is no longer necessary to navigate a vehicle! You can now see the roads as if you were in front of 6d1f23a050
